- c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.

2. Important Things You Need to Know

Availability

- a) The Products are for small to medium business use only, and are not available to large business/corporate and commercial customers. Large business/corporate and commercial customers should contact Vodafone for information about Vodafone's corporate business products.
- b) The Products are available to credit approved customers only.
- c) Vodafone's Fair Use policy applies to all Vodafone Products.

Factors affecting availability and performance

- a) Network coverage and many other factors may affect the availability and performance of certain Products.
- b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile or other device and if in a compatible coverage area. Not all devices are compatible with Vodafone networks.
- c) Broadband service: Some Vodafone 4G, 3G+ and 3G services are mobile broadband, internet, email, apps, downloading, video streaming and video calling. You can use Vodafone 4G if you have an eligible phone plan and have been switched over to the 4G network. To use 4G and 3G+ you'll also need a compatible device and be in a selected major metropolitan area. Outside these areas, you can still get Broadband Speeds in our 3G areas with the right device. To check this, make sure your device is compatible to the network zone you are in (U2100MHz, U850MHz or U900MHz). Remember that actual speeds you reach will vary depending on things like device capabilities, location & network congestion. Broadband Speeds not available in any 2G area. Actual speed achieved varies depending on factors such as device capabilities, location & network congestion. See vodafone.com.au/coverage for coverage. You agree to refer to vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.
- d) The Terms contain details regarding device compatibility, network compatibility and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about the "Vodafone" network, see vodafone.com.au/personal/services/coverage/.

Data services

- a) For Products that provide data access capabilities, a data session:
 - i. **starts** when you begin internet activity, either directly or indirectly* on your mobile device; and
 - ii. **ends** when your data connection is lost. This will happen when:
 - a. you turn your mobile device off;
 - b. turn your data connection off;
 - c. switch to flight mode;
 - d. when you lose network reception; or
 - e. your mobile device has not sent or received data for a period of time.

*Direct internet activity is when you prompt your mobile device to send or receive data from the internet. For example;

- d) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

Rates and charges

- a) Details of the rates and charges, including any minimum spends which apply to the Products are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.
- b) The Products feature “**included value**”. Included value can be used to pay for many (but not all) services available from Vodafone.
- c) If your usage of a Product exceeds your included value and/or your included data (as appropriate), or you use a service that is not payable from your included value or included data (as appropriate), you will be charged an amount additional to your minimum monthly spend.
- d) Unless otherwise stated, if you do not use all your included value and/or your included data (as appropriate) in the relevant month, that included value and/or included data (as appropriate) is forfeited, is not refundable, and will not carry over into any other month.
- e) Unless otherwise stated, the section of the Terms titled “Vodafone Rates: What is payable from my Products’ included value?” specifies which services are or are not available to be paid from your included value and the rate at which additional services will be charged.
- f) For Vodafone Bundled Mobile Broadband Products, all non-data use (eg voice calls, SMS/MMS and content) is charged in addition to your Minimum Monthly Spend. Refer to the Vodafone Postpaid Mobile Broadband terms at www.vodafone.com.au/mbbterms for further information.
- g) Each charge is rounded up to the nearest cent before GST is included.

General Terms

- a) Any data allowance which is part of your plan is only available for use via your compatible handset. It is not available for use on a mobile broadband device.
- b) If your plan is a Vodafone Business Plan Product, your Included Value and data allowance can only be used in Australia, on Vodafone networks.

 - i. are opted-in to Vodafone Red Roaming; and
 - ii. are roaming in an Eligible Country.

In return for this service, when you perform a Trigger Event in an Eligible Country on any given day, we will apply the **Daily Charge** to your account. These mobile device offers are not available if you switch between contracts during the minimum contract term.
- g) If you purchase a Business SIM Plan or Red Business SIM Product (but not a 12 or 24 month Business Plan or Red Business Product) then:
