Other information

My Vodafone	Head to myvodafone.com.au to set up your username and password. Then you can keep track of your call and data usage, recharge and make changes to your account.
While overseas calls, TXT, PXT & data usage will cost more	If you are travelling overseas and want to use your Vodafone Prepaid Phone, International Roaming is active by default. You can deactivate the setting if you want to at any time. International Roaming rates are charged differently than usage at home, so before you travel you should check roaming rates to understand what you'll be charged. For more info on Vodafone's roaming rates visit vodafone.com.au/roaming
We're here to help	For any problems jump on to support.vodafone.com.au to find answers fast. Otherwise, call us on 1300 650 410 or 1555 from your Vodafone phone so we can assist you. If after speaking with us you are not happy with the outcome you may also contact the Telecommunications Industry Ombudsman on 1800 062 058 or go to tio.com.au
Coverage	The quality and availability of some services may vary depending on your location, your phone, network congestion and network coverage. For more info visit vodafone.com.au/coverage .
