2. These Terms and Conditions operate in conjunction with the Business Terms and Conditions which are available at [vodafone.com.au/terms](http://vodafone.com.au/terms). The Business Terms and Conditions contain important details about your Eligible Plan, while these Terms and Conditions relate more specifically to the Qantas Points for business offered with those plans. By agreeing to sign up to an Eligible Plan, you agree to both sets of Terms and Conditions.

3. A Business must be a current member of the Qantas Business Rewards program and must supply their ABN to Vodafone to be eligible to earn Qantas Points for business through the purchase of an Eligible Plan. If a Business is not a current member of the Qantas Business Rewards program, but otherwise eligible to join, they can join for no additional cost at [vodafone.com.au/qantas](http://vodafone.com.au/qantas). (A join fee of \$89.50 usually applies).

4. The Qantas Business Rewards membership account and Vodafone account must use the same ABN in order to earn Eligible Points.

5. Eligible Plans are only available to approved Business customers with an ABN. Individuals cannot purchase Eligible Plans and do not qualify for Eligible Points. For information regarding Vodafone/Qantas consumer products go to [vodafone.com.au/personal/plans/qantas](http://vodafone.com.au/personal/plans/qantas).

6. Membership of the Qantas Business Rewards Loyalty Program and the earning and redemption of Eligible Points earned through the Eligible Plan are subject to the Qantas Business Rewards Loyalty Program Terms and Conditions which can be found at [qantasbusinessrewards.com](http://qantasbusinessrewards.com). These terms are subject to change from time to time.

7. To earn Eligible Points, simply complete the online form either at the time of purchase of the Eligible Plan or within 60 days of sign up via [vodafone.com.au/qantas](http://vodafone.com.au/qantas). As part of completing this form, the Business must provide Vodafone with their ABN. If the Business fails to submit a valid claim form within 60 days of sign up, any Eligible Points that the Business otherwise would have been entitled to will be forfeited. By virtue of submitting the form, the person submitting the form acknowledges on behalf of the Business and agrees that all information collected via the form will be shared with Qantas for the purposes of crediting Qantas Points for business and may be used in accordance with the Qantas Business Rewards Loyalty Program Terms and Conditions which can be found at [qantasbusinessrewards.com](http://qantasbusinessrewards.com).

9. If the Business moves to a more expensive Eligible Plan during the minimum commitment period, that Business will not be eligible to receive any further Qantas Points – and will only be entitled to the amount of Eligible Points that correspond to the original Eligible Plan's Eligible Points entitlement.

10. Eligible Points are earned once only during the term of the Eligible Plan and ARE NOT a monthly inclusion.

11. Allow up to 30 days for Eligible Points to be credited to the Business' Qantas Business Rewards account.
