The following terms and conditions apply to you if you purchase a Vodafone Bundled Mobile Broadband Product:

- (a) Vodafone Bundled Mobile Broadband Products are only available to you at the same time as time you first sign up or resign to an eligible 12 or 24 Month Vodafone voice contract (excludes corporate plans). You will not be eligible to add a Vodafone Bundled Mobile Broadband Product after a new connection or resign has been provisioned, until you are eligible to resign again. If you are an existing customer part way through your voice Contract Term who would like to add a Mobile Broadband service to your account, or if you wish to purchase a Mobile Broadband service from Vodafone in isolation (with no voice component) contact Vodafone for details on our range of standard Mobile Broadband Plans.
- (b) Vodafone Bundled Mobile Broadband Products are only available on a single-user basis (i.e. the included data is not available to be shared amongst users, even if the voice contract you have combined the Vodafone Bundled Mobile Broadband Product with is a shared plan (i.e. a Vodafone Infinite Business Shared Plan)).
- (c) You must have a compatible USB Modem, Pocket WiFi™ or Tablet device to use a Vodafone Bundled Mobile Broadband Product.
- (d) Your Included Data allowance can only be used in Australia, on Vodafone networks. Data usage outside Australia is charged at the Additional Data Price – International rate.
- (e) If you exhaust your Included Data allowance, additional data usage will be charged at the Additional Data Price – Australia rate.
- (f) Included Mobile Broadband Data allowance is only available for use via your compatible mobile broadband device. It is not available for use on your handset.
- (g) In the event that your Vodafone Bundled Mobile Broadband Product is cancelled before the applicable Contract Term has expired, you will be liable to pay the Early Exit Fee listed in the table above. Your eligible 12 or 24 month voice contract will continue unaffected, unless you also elect to cancel that (Early Exit Fees may apply – refer to your individual Cap or Plan for details).
- (h) In the event that your eligible 12 or 24 month **voice** contract is cancelled, you will no longer be eligible for the Bundled Rate listed in the table above (you may also be liable for an Early Exit Fee for your voice contract – see your individual Cap or Plan for details). You can

either elect to also terminate your Vodafone Bundled Mobile Broadband Product (refer to paragraph (g) above for consequences), or you can continue your Vodafone Bundled Mobile Broadband Product for the remainder of the Contract Term at the Unbundled Rate listed in the table above. If you elect to continue your mobile broadband service at the Unbundled Rate, but then cancel that Product before your Contract Term is complete, you will be liable for an Early Exit Fee of 100% of minimum monthly spend (Bundled Rate) x months remaining on contract.

- (i) All non-data use (eg voice calls, SMS/MMS and content) via your Mobile Broadband SIM Card is charged in addition to your data plan. Refer to the Section titled “Rates and Charges for Non-Data Use Vodafone Bundled Mobile Broadband Products” for further details.
- (j) Unless otherwise stated, the Minimum Monthly Spend for your Vodafone Bundled Mobile Broadband Product is in addition to any handset/device repayments (if applicable) and any costs for excluded data usage.
- (k) The Minimum Monthly Spend is payable for each full monthly billing cycle in advance and is non-refundable. All other charges are billed at the end of the monthly billing cycle in arrears.
