English Cricket Team unwinds at Vodafone Golf Day

Vodafone and the English Cricket Team raise money for The Dennis Lillee Disabled Sports Foundation

After a busy week, the England Cricket Team took some time out to swing the clubs at the Vodafone Golf Day. Participants from the side included Captain, Nasser Hussain, and team mates Mark Butcher, Alec Stewart and Darren Gough to name a few.

The golf day was organised by Vodafone's WA State Manager, Martin Bain, for key customers in the region. Special guest on the day was Ron Conway, World and Australian Blind Golf Champion, who represented The Dennis Lillee Disabled Sports Foundation.

At the event, money was raised for The Dennis Lillee Disabled Sports Foundation by raffling off cricket bats signed by the England Cricket Team. Vodafone donated money towards the Foundation by matching the amount that was raised on the day.

"We are delighted to be able to leverage our sponsorship of the England Cricket Team to generate participation and interest in our golf day, which in turn, has financially assisted a local organisation that does great work in the community," said Mr Bain.

The Dennis Lillee Disabled Sports Foundation

In 1995 The Dennis Lillee Disabled Sports Foundation was created as the Marketing and Corporate Fund-Raising Arm of The WA Disabled Sports Association (WADSA). 'WADSA' provides all-year round programmes of sports and recreation activities throughout Western Australia for 30 member clubs, associations for people with disabilities and individuals with a disability.
