

TERMS AND CONDITIONS – VODAFONE WORLD

- (a) Customers who do not opt-in to Vodafone Traveller and who use their device while roaming internationally will be charged according to Vodafone World Postpay rates; Vodafone World for Postpay is the default roaming product. Vodafone World should be activated at least three days prior to travelling.
 - (b) Vodafone World customers will be charged for making and receiving calls and TXT and for using other services while roaming internationally at different rates according to the geographical zone they are roaming in at the time.
 - (c) Vodafone World customers will be charged the roaming premium per minute rate (zone charge) as set out in the Vodafone World rates table overleaf. The roaming premium per minute rate is dependent on the particular zone the call is made in at the time the call is placed. These rates apply to standard calls and TXT and toll free numbers outside Australia.
 - (d) For Vodafone World the roaming premium per minute rate (zone charge) for calls made and received, for TXT made and for all other services used will be charged as out of Cap or Plan usage.
 - (e) Calls are charged in 30 second increments with a 60 second minimum duration.
 - (f) Go to vodafone.com.au or phone Customer Care for information about specific roaming rates and charges for services such as: Vodafone live!, PXT, video calls, voicemail, Ask us anything-123, Directory Assistance-1223, 15 numbers, Premium TXT and numbers and Call Screen.
 - (g) Customers can change between Vodafone Traveller and Vodafone World free of charge at any time.
 - (h) Vodafone World customers who use GPRS while roaming will incur a charge of \$0.01 per KB with a 1KB increment and a minimum session charge of 10KB.
 - (i) There are no additional access fees or monthly charges for Vodafone Traveller or Vodafone World. Details of all calls, TXT and other services used whilst overseas will appear on the bill of your selected domestic Voice cap or Plan. Actual charges may vary on your statement as each charge is rounded up to the nearest cent. All services while roaming are GST free.
 - (j) All Vodafone services, including Vodafone World are subject to network availability, individual handset capabilities and limitations of overseas networks. Some Vodafone services such as TXT and Vodafone live! may not be available whilst roaming in some countries.
 - (k) All Vodafone plans may be modified or withdrawn by Vodafone at any time. All prices, terms and conditions are current as of July 2008 and are subject to change. For full terms and conditions of, and a full price list for accessing and using Vodafone Traveller and other services, refer to the [Vodafone Standard Form of Agreement](#) at vodafone.com.au.
