## Information about the service

### No Additional Data charges in Australia

Once you exceed your Included Data (My Data) allowance and have also exhausted any data in your Data Bank, you will receive infinite data at speeds of up to 1.5Mbps depending on your chosen plan.

### Heavy data users

Heavy data users may experience slower speeds than other users during busy periods. Actual speeds you reach will continually vary depending on many factors such as device capabilities, location, network congestion, network coverage, if you are roaming, and if you are a heavy data user.

### Tethering

Tethering permitted to personal devices only, but must not be used in a modem or as a substitute for a home internet service. For more information, check out our speed guide.

### Premium Services

This plan does not come with any premium service inclusions. If you would like to use premium services on this plan, please visit [www.vodafone.com.au/support/device/premium-services](http://www.vodafone.com.au/support/device/premium-services)
