What Terms and Conditions Apply to my Vodafone Prepaid Product?

- (a) This document sets out the Terms and Conditions that apply to specific Vodafone contracts and products (collectively, the Products).
- (b) The terms and conditions that will apply to your Product or Products are:
 - (i) all the terms and conditions provided to you when you agree to purchase a Product, including all the terms and conditions contained in this document; and
 - (ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (SFOA), which is available at vodafone.com.au (collectively, the “Terms”).
- (c) You accept the Terms when:
 - (i) you purchase a Product or are provided with a Prepaid Pack and activate either of these by:
 - i. calling us on 1555 from your Vodafone mobile; or
 - ii. Accessing our website at www.vodafone.com.au to register/activate; OR
 - (ii) you activate a Product switching from a Vodafone Postpaid Product to a Vodafone Prepaid Product.
- (d) Your contract commences on your acceptance of the Terms, however, any credit expiry period does not start until you have recharged your Prepaid account.
- (e) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.
- (f) Vodafone’s Fair Use Policy applies to any unreasonable use of Products. This includes use of any “unlimited” or “Infinite” offerings. See www.vodafone.com.au/aboutvodafone/legal/fairusepolicy
- (g) For more information, call Vodafone on:
 - (i) 1300 650 410 from any phone within Australia;
 - (ii) 1555 for free from your Vodafone mobile when in Australia; or
 - (iii) +61426320000 from your Vodafone mobile while roaming or visit vodafone.com.au

Important Things You Need to Know

Availability

- (a) The Products are for personal use only, and are not available to medium to large business/corporate and commercial customers. Medium to large business/corporate and commercial customers should contact Vodafone for information about Vodafone's business products.
- (b) The Products are available to eligible and approved customers.
- (c) Unless otherwise stated, only one Vodafone Prepaid Product can be used per connection to our network.
- (d) Mobile devices may be locked to our network. A fee may apply to unlock.
- (e) Only services specified in Section 16 can be accessed using Vodafone Prepaid Products. Factors affecting availability and performance
 - (a) Network coverage and many other factors may affect the availability and performance of certain Products, services and functions.
 - (b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile device and if in a compatible coverage area. Not all mobile devices are compatible with our network.
 - (c) If from time to time we provide additional Services in Australia, where you may Roam on a network in a Non-Vodafone Coverage Area, we may also restrict the availability or the speeds of some Services, such as Data Services, in the Non-Vodafone Coverage Area. To see the Vodafone Coverage Areas covered by the Vodafone Network please go to <http://www.vodafone.com.au/network/coveragechecker>.
 - (d) The Terms contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, in addition to the "Vodafone" networks operated by, for or on behalf of Vodafone Network Pty Limited and Vodafone Australia Pty Limited, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about "our" network, see <http://www.vodafone.com.au/coverage/>.
 - (e) Broadband service: Some Vodafone 4G, 3G+ and 3G services are mobile broadband, internet, email, apps, downloading, video streaming and video calling. You can use Vodafone 4G if you have an eligible phone plan and have been switched over to the 4G network. To use 4G and 3G+ you'll also need a compatible device and be in a selected major metropolitan area.
Outside these areas, you can still get Broadband Speeds in our 3G areas with the right device.
To check this, make sure your device is compatible to the network zone you are in (U2100MHz, U850MHz or U900MHz). Remember that actual speeds you reach will vary depending on things like device capabilities, location, network congestion, network coverage or if you are roaming. Broadband Speeds not available in any 2G

area. See vodafone.com.au/coverage for coverage. You agree to refer to vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.

- (f) Our 4G coverage is available in all major metro locations and selected regional areas across Australia. Go to <http://www.vodafone.com.au/coverage/> to see if you are covered.
- (g) You agree to refer to www.vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.
- (h) Where Vodafone 4G services are not available (eg. due to device compatibility, or limited 4G coverage) 4G devices may use the Vodafone 3G+/3G network.
- (i) Vodafone 4G services that do not support VoLTE (including 4G devices that do not support VoLTE or plans which do not include VoLTE) will use the Vodafone 3G+/3G network for voice services. While using voice services these devices will also temporarily use the Vodafone 3G+/3G network for data services.
- (j) Where Vodafone 3G+/3G services are not available (eg. due to device compatibility) 4G, 3G+ or 3G devices may use the Vodafone 2G network.

Data services, including Pay As You Go Mobile

Internet (a) For data Products, a data session:

- (i) starts when you begin internet activity, either directly or indirectly* on your mobile device; and
- (ii) ends when your data connection is lost. This will happen when:
 - You turn your mobile device off, turn your data connection off, switch to flight mode or when you lose network reception; or
 - Your mobile device has not sent or received data for a period of time

*Direct internet activity is when you prompt your mobile device to send or receive data from the internet. For example, when you send an email. Indirect internet activity is when your mobile device or mobile applications are set up to send or receive data from the internet on your behalf. Examples include (but are not limited to): Email notifications via Gmail, notification of Tweets or Facebook posts which mention you and software or whether updates.

- (b) A minimum balance is required to start a data session.

Terms & Conditions

Vodafone Prepaid

- (c) When using data Products, some internet services, including web sites and email, may not be accessible.
- (d) Subject to your rights under the Competition and Consumer Act 2010 or other relevant legislation (including the Australian Consumer Law), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.
- (e) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

Rates and types of credit

- (a) Unless otherwise stated call usage is charged in blocks of 60 seconds. Usage is rounded up to the end of the current block.
- (b) Each call made by a customer may last for a maximum duration of 2 hours, provided the customer has sufficient credit and privileges to make the call.
- (c) Each call and data charge is rounded up to the nearest cent and includes GST (where GST applies)
- (d) Unless otherwise stated, data usage is billed in per kilobyte (kB) blocks.
- (e) Details of the rates and charges which apply to the Products are contained in the Terms.
- (f) Some Vodafone Prepaid Products (excluding Vodafone Combo Plus, Vodafone Pay and Go, Vodafone Talk and Data Combo Recharge Products, Vodafone Prepaid MyMix, Vodafone Prepaid Caps and Vodafone Prepaid Add-ons) provide you with a type of credit called “Flexible Credit”. Flexible Credit can be used to purchase any of the Products listed in Section 16 “Vodafone Rates: What is payable from my Vodafone Prepaid Credit”
- (g) Vodafone Prepaid Pay and Go comes with Pay and Go Credit. Details on what My Credit can be used to purchase can be found in the table titled “Payable from Vodafone Prepaid Credit” in Section 16 below.
- (h) Some Vodafone Prepaid Products may also provide you with additional types of credit that may be used to purchase Products. Some types of such additional credit may only be used to purchase certain Products. Types of additional credit, and the Products that such additional credit can be used to purchase, are specified for each Vodafone Prepaid Product in the sections below.
- (i) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

SIM, Voucher and Credit Expiry

- (a) If you purchase a Starter Pack, you have 365 days after the date of purchase to activate your SIM, otherwise it will expire.

Terms & Conditions

Vodafone Prepaid

- (b) One way of recharging your Vodafone Prepaid service is to purchase a Vodafone Prepaid recharge voucher at participating outlets. These vouchers have a voucher expiry period, which is the period of time you have to activate that voucher before it is no longer valid. Vodafone Prepaid recharge vouchers have a maximum voucher expiry period of 6 months'. Failure to activate a Vodafone Prepaid recharge voucher prior to the expiration of the applicable voucher expiry period will result in the value of the voucher being forfeited and it will not be refundable or exchangeable for another Product.
- (c) Once activated, Vodafone Prepaid Products have a credit expiry period. Credit expiry periods are specified for each Vodafone Prepaid Product in the sections below.
- (d) Unless otherwise stated, if you change from a Vodafone Prepaid Product to any Vodafone "postpay" Product, any unused credit from your Vodafone Prepaid Product is forfeited, is not refundable, and cannot be carried over to your new Vodafone Product.

Checking your usage

- (a) Check your call, TXT and data use here and overseas at myvodafone.com.au or call us for free from your Vodafone Mobile on 1555 (when in Australia) or +61414141414 (when overseas).

4. Vodafone Pay and Go

This table specifies types of credit that are provided if you purchase a Vodafone Prepaid Pay and Go Recharge Product :

Recharge Product	Included Pay and Go Credit	Credit Expiry Period
\$10 Pay and Go Recharge	\$10	60 days
\$20 Pay and Go Recharge	\$20	60 days
\$30 Pay and Go Recharge	\$30	180 days
\$40 Pay and Go Recharge	\$40	365 days
\$50 Pay and Go Recharge	\$50	365 days

- a) Vodafone Pay and Go Recharge Products do not include separate allowances for calls, text or data. All that is included is a set amount of Pay and Go Credit.
- b) Pay and Go Credit can be used on some, but not all, of Vodafone's services. Refer to Section 16, "What is payable from my Vodafone Prepaid Credit" for full details on what you can use your Pay and Go Credit on, and what rates different services will be charged at.
- c) Unused Pay and Go Credit will expire at the end of your Credit Expiry Period, unless you recharge on another Pay and Go Recharge Product before the end of your Credit Expiry Period. If you do this, unused credit will rollover (up to a maximum amount of \$250). You must maintain an active Pay and Go Recharge to retain rolled over credit. Expiry period does not rollover.
- d) If your most recent recharge is a Vodafone Pay and Go Recharge Product, you will only be able to use My Credit (if any available on your account) to either purchase other Vodafone Prepaid Recharge Products, purchase Vodafone Prepaid Add-Ons, or for calls text and data while international roaming, which will be charged at our roaming rates (go to vodafone.com.au/plans/international-roaming for these rates). My Credit will only be used for calls, text and data while international roaming if there is no remaining Pay and Go Credit on your account. You cannot use My Credit on any calls, text or data while within Australia.
- e) While in Australia, data can only be used on Vodafone Networks. Data usage is charged in 256kB increments, with the first 512kB of usage in each data session zero rated.
- f) If you change from a Pay as You Go, 365 Day Recharge, Flexi Cap Recharge Product, TXT & Talk Recharge Product, Vodafone Cap Recharge Product or Combo Plus Recharge Product (Original Recharge Product) to a Vodafone Pay and Go Recharge Product, all unused credits and Flex Credit and allocations will not be rolled over.
- g) If you change from a Pay as you Go or 365 Day Recharge Product (Original Recharge Product) to a Pay as You Go Recharge Product, any unused Flexible Credit will be rolled over to your Pay and Go Recharge Product and will have the

Vodafone Prepaid

same Credit Expiry Period, conditions and limitations as your Original Recharge Products Flexible Credit.

- h) If you change from a 365 Plus Recharge Product to a Pay and Go Recharge Product, any unused My Credit will be rolled over (subject to My Credit maximum balances) and retained in your My Credit, and may be used in accordance with the My Credit terms and conditions – see Section 9 – My Credit”. [
- i) Prepaid Pay and Go Recharges exclude Re-Routed Calls and Premium Voice Numbers.
- j) The Vodafone Pay and Go Recharge Products are not to be used for commercial or resale purposes.

5. Vodafone Prepaid MyMix

Vodafone Prepaid MyMix Recharge Product will only be available to you if your last recharge before that date was on the MyMix Recharge Product. If this applies to you, you will be able to continue to recharge on the Text & Talk Recharge Product, provided

- a) Vodafone has not removed this Product; and
- b) you do not recharge on a different Vodafone Prepaid Product.

The Vodafone Prepaid MyMix Recharge Product allows you to set the amount of some of your inclusions and to choose your expiry. The final price will be based on your choice. Using My Vodafone or the online tool accessible from vodafone.com.au, you choose (from a number of set choices) how much of each of the following inclusions you would like in your plan:

- calls to standard Australian numbers;
- data to use in Australia;
- standard voice calls from Australia to mobiles and land lines in 50 selected countries^; and you will also be asked to set your expiry period from three set choices (together your Selectable Inclusions).

Once you have chosen your Selectable Inclusions and have purchased your recharge, you will not be able to make any further changes until your Vodafone Prepaid MyMix Recharge Product expires, and you purchase your next Vodafone Prepaid MyMix Recharge Product.

This table specifies the types of credit that are provided and sets out Selectable Inclusion options available if you purchase a Vodafone Prepaid MyMix Recharge Product:

16 Vodafone Rates: What is payable from my Vodafone Prepaid Credit?

Payable from Vodafone Prepaid Credit (also known as: Flexible Credit, Pay as You Go Credit or My Credit)

This table details all Products that can be paid from your prepaid credit (unless stated otherwise), and the charge rate for those Products. If a charge rate is stated to be “unlimited” you will not be charged any additional amount for use of that service.

Remember, some Vodafone Prepaid Products have different types of credit, including credit that may be expressed as a quantity (e.g. a specified number of call minutes) or credit that can only be used for specified services. You must read this table in conjunction with the terms for your specific Vodafone Prepaid Product.
