## Vodafone Prepaid

### 1. What Terms and Conditions Apply to my Vodafone Prepaid Product?

- (a) This document sets out the Terms and Conditions that apply to specific Vodafone contracts and products (collectively, the **Products**).
- (b) The terms and conditions that will apply to your Product or Products are:
  - (i) all the terms and conditions provided to you when you agree to purchase a Product, including all the terms and conditions contained in this document; and
  - (ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at [vodafone.com.au](http://vodafone.com.au) (collectively, the "**Terms**").
- (c) You accept the Terms when:
  - (i) you purchase a Product or are provided with a Prepaid Pack and activate either of these by:
    - i. calling us on 1555 from your Vodafone mobile; or
    - ii. Accessing our website at [www.vodafone.com.au](http://www.vodafone.com.au) to register/activate; OR
  - (ii) you activate a Product switching from a Vodafone Postpaid Product to a Vodafone Prepaid Product.
- (d) Your contract commences on your acceptance of the Terms, however, any credit expiry period does not start until you have recharged your Prepaid account.
- (e) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.
- (f) Vodafone's Fair Use Policy applies to any unreasonable use of Products. This includes use of any "unlimited" or "infinite" offerings. See [www.vodafone.com.au/aboutvodafone/legal/fairusepolicy](http://www.vodafone.com.au/aboutvodafone/legal/fairusepolicy)
- (g) For more information, call Vodafone on:
  - (i) 1300 650 410 from any phone within Australia;
  - (ii) 1555 for free from your Vodafone mobile when in Australia; or
  - (iii) +61414141414 from your Vodafone mobile while roaming or visit [vodafone.com.au](http://vodafone.com.au)

### 2. Important Things You Need to Know

#### Availability

- (a) The Products are for personal use only, and are not available to medium to large business/corporate and commercial customers. Medium to large business/corporate and commercial customers should contact Vodafone for information about Vodafone's business products.
- (b) The Products are available to eligible and approved customers.
- (c) Unless otherwise stated, only one Vodafone Prepaid Product can be used per connection to our network.
- (d) Mobile devices may be locked to our network. A fee may apply to unlock.

# Terms & Conditions

## Vodafone Prepaid

(e) Only services specified in section 11, "Vodafone Rates: What is payable from my Vodafone Prepaid Credit" can be accessed using Vodafone Prepaid Products.

### Factors affecting availability and performance

(a) Network coverage and many other factors may affect the availability and performance of certain Products, services and functions.

(b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile device and if in a compatible coverage area. Not all mobile devices are compatible with our network.

(c) The Terms contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. However, notwithstanding anything else in our contract with you, in addition to the "Vodafone" networks operated by, for or on behalf of Vodafone Network Pty Limited and Vodafone Australia Pty Limited, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms. For more information about "our" network, see <http://www.vodafone.com.au/personal/services/coverage/>.

(d) All Vodafone services are subject to device capabilities & network limitations & availability. A compatible 3G+ device is required to access Vodafone 3G+ services. Vodafone 3G+ only available in selected metropolitan areas. Outside of Vodafone 3G+ coverage areas, Broadband Speeds can be achieved in Vodafone 3G coverage areas. Vodafone 3G+ and 3G services include but are not limited to mobile broadband, internet, email, apps, downloading, video streaming and video calling. A compatible 3G device is required to access 3G services. Vodafone 3G works on three different 3G network zones: U2100MHz, U850MHz and U900MHz. You can reach Broadband Speeds within these areas when you have a handset which is compatible to that particular zone/s.. Broadband Speeds not available in any 2G area. Actual speed achieved varies depending on factors such as device capabilities, location & network congestion.

(e) Vodafone 4G is available in and around selected Australian cities. Go to [vodafone.com.au/coverage](http://vodafone.com.au/coverage) to see if you are covered.

(f) See **vodafone.com.au/coverage** for coverage details. You agree to refer to [www.vodafone.com.au/coverage](http://www.vodafone.com.au/coverage) for coverage details and [vodafone.com.au/devicefrequency](http://vodafone.com.au/devicefrequency) for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.

### Data services, including Pay As You Go Mobile Internet

(a) For data Products, a data session:

(i) **starts** when you begin internet activity, either directly or indirectly\* on your mobile device; and

(ii) **ends** when your data connection is lost. This will happen when:

- You turn your mobile device off, turn your data connection off, switch to flight mode or when you lose network reception; or
- Your mobile device has not sent or received data for a period of time .

# Terms & Conditions

## Vodafone Prepaid

\*Direct internet activity is when you prompt your mobile device to send or receive data from the internet. For example, when you send an email. Indirect internet activity is when your mobile device or mobile applications are set up to send or receive data from the internet on your behalf. Examples include (but are not limited to): Email notifications via Gmail, notification of Tweets or Facebook posts which mention you and software or whether updates.

- (b) A minimum balance is required to start a data session.
- (c) When using data Products, some internet services, including web sites and email, may not be accessible.
- (d) Subject to your rights under the *Competition and Consumer Act 2010* or other relevant legislation (including the *Australian Consumer Law*), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.
- (e) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

### Rates and types of credit

- (a) Unless otherwise stated call usage is charged in blocks of 60 seconds. Usage is rounded up to the end of the current block.
- (b) Each call made by a customer may last for a maximum duration of 2 hours, provided the customer has sufficient credit and privileges to make the call.
- (c) Each call and data charge is rounded up to the nearest cent and includes GST (where GST applies)
- (d) Unless otherwise stated, data usage is billed in per kilobyte (kB) blocks.
- (e) Details of the rates and charges which apply to the Products are contained in the Terms.
- (f) All Vodafone Prepaid Products (except Vodafone Mini Caps and Vodafone Prepaid Caps) provide you with a type of credit called "Flexible Credit". Flexible Credit can be used to purchase any of the Products listed in the table titled "Payable from Vodafone Prepaid Credit" in section 11 below. The \$2 and \$4 Vodafone Mini Caps come with Mini Cap Credit. Details on what Mini Cap Credit can be used to purchase can also be found in the table titled "Payable from Vodafone Prepaid Credit" in section 11 below.
- (g) Vodafone Prepaid Caps come with Cap Credit. Details on what Cap Credit can be used to purchase can also be found in the table titled "Payable from Vodafone Prepaid Credit" in section 11 below
- (h) Some Vodafone Prepaid Products may also provide you with additional types of credit that may be used to purchase Products. Some types of such additional credit may only be used to purchase certain Products. Types of additional credit, and the Products that such additional credit can be used to purchase, are specified for each Vodafone Prepaid Product in sections 3, 4, 5, 6, 7, 8, 9 and, 10 below.
- (i) Credit may be expressed in any manner, including as a monetary value or as a quantity of a specified Product.
- (j) Unless otherwise stated, the section of the Terms titled "Vodafone Rates: What is payable from my Vodafone Prepaid Credit?" specifies which Products are available to be purchased from your credit and the rates for those Products.
- (k) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

## Vodafone Prepaid

### **Voucher Expiry and Credit Expiry**

- (a) One way of recharging your Vodafone Prepaid service is to purchase a Vodafone Prepaid recharge voucher at participating outlets. These vouchers have a voucher expiry period, which is the period of time you have to activate that voucher before it is no longer valid. Vodafone Prepaid recharge vouchers have a maximum voucher expiry period of 6 months'. Failure to activate a Vodafone Prepaid recharge voucher prior to the expiration of the applicable voucher expiry period will result in the value of the voucher being forfeited and it will not be refundable or exchangeable for another Product.
- (b) Once activated, some Vodafone Prepaid Products have a credit expiry period. Credit expiry periods are specified for each Vodafone Prepaid Product in sections 3, 4, 5, 6, 7, 8, 9 and 10 below.
- (c) Unless otherwise stated in the Terms, when the credit expiry period elapses or when the Vodafone Prepaid Product is recharged (whichever occurs first), any unused credit for that Product is forfeited, is not refundable, and cannot be carried over to any other Product.
- (d) Unless otherwise stated, if you change from a Vodafone Prepaid Product to any Vodafone "postpay" Product, any unused credit from your Vodafone Prepaid Product is forfeited, is not refundable, and cannot be carried over to your new Vodafone Product.

### **Auto Recharge**

- (a) You may choose for your Vodafone Prepaid Product to be automatically recharged by payment using a registered Credit Card. This service is called "Auto Recharge".
- (b) You may nominate for this automatic recharge to happen:
  - i. On a specified date each month;
  - ii. When the main credit balance falls below a set nominated amount; or
  - iii. Every set number of days.
- (h) If you choose the Auto Recharge service, your credit card will be automatically charged when the nominated event in section (b) occurs.

### **Checking your usage**

- (a) Check your call, TXT and data use here and overseas at [myvodafone.com.au](http://myvodafone.com.au) or call us for free from your Vodafone Mobile on 1555 (when in Australia) or +61414141414 (when overseas).

- (d) If you exhaust your Free Talk minutes, additional standard national voice calls (except for calls to other Vodafone mobiles in Australia) will be paid for from your Flexible Credit.
- (e) If you exhaust your Vodafone to Vodafone Talk minutes, additional calls to Vodafone mobiles in Australia will be paid for from your Flexible Credit.
- (f) Free TXT credit allows you to send the number of standard personal national and international TXT included in your recharge to individuals from within Australia. Excludes premium and re-routed TXT. Offer cannot be used for commercial or resale purposes.
- (g) If you exhaust your Free TXT allocation, additional TXT will be paid for from your Flexible Credit.
- (h) If you recharge your TXT & Talk Recharge Product with another TXT & Talk Recharge Product before the end of the Credit Expiry Period, unused Flexible Credit, Free Talk minutes, Vodafone to Vodafone Talk minutes and Free TXT allocations will be rolled over, provided you do not exceed the maximum balances in section 4(i).
- (i) The maximum credit balances you may hold for the TXT & Talk Recharge Product are: a) Flexible Credit of \$2,000; b) Free Talk minutes of 5,000 minutes; c) Vodafone to Vodafone Talk minutes of 5,000 minutes; and d) Free TXT allocation of 7,200 messages.

## Vodafone Prepaid

- (j) If you change from a 365 Day Recharge Product to a TXT & Talk Recharge Product before the end of the 365 Day Recharge Product's Credit Expiry Period, any unused Flexible Credit from your 365 Day Recharge Product will be rolled over to your TXT & Talk Recharge Product until the 365 Day Credit Expiry Period elapses.
- (k) If you change from a Vodafone Pay As You Go Recharge Product or a TXT & Data Recharge Product (**Original Recharge Product**) to a TXT & Talk Recharge Product before the end of your Original Recharge Product's Credit Expiry Period, any unused Flexible Credit and allocations will not transfer over to your TXT & Talk Recharge Product, however, if you change back to your Original Recharge Product before the end of the Original Recharge Product's Credit Expiry Period, any unused credit from your Original Recharge Product will be available and will have the same Credit Expiry Period as your Original Recharge Product. However, after 7 November 2011, if your Original Recharge Product is a TXT & Data Recharge Product, you will no longer be able to recharge on a TXT & Data Recharge Product again and any unused credit and allocations from that Original Recharge Product are forfeited, are not refundable and will not carry over to the next Vodafone Prepaid Product which you elect to purchase.
- (l) If you change from a Flexi Cap Recharge Product, or a Vodafone Cap Recharge Product or a Vodafone All-time Recharge Product (**Original Recharge Product**) to a TXT & Talk Recharge Product, any unused Flexible Credit and allocations will not be rolled over and will not be available if you change back to your Original Recharge Product.

### 9. TXT & Data Recharge

From 7 November 2011, the TXT & Data Recharge Product will only be available to you if your last recharge before that date was on the TXT & Data Recharge Product. If this applies to you, you will be able to continue to recharge on the TXT & Data Recharge Product after 7 November 2011, provided

- a) Vodafone has not removed this Product and
- b) you do not recharge on a different Vodafone Prepaid Product (once you do this, you will not be able to return to the TXT & Data Recharge Product and any unused Flexible Credit and allocations are forfeited, are not refundable and will not carry over to the next Vodafone Prepaid Product which you elect to purchase).

This table specifies types of credit that are provided if you purchase a TXT & Data Recharge Product:

Recharge Price	Flexible Credit	Included TXT	Included Data within Australia	Vodafone to Vodafone Credit	Credit Expiry Period
\$30	\$30	500	250MB	\$100	30 days
\$50	\$50	3000	1GB	\$200	30 days
\$70	\$70	3000	2GB	\$300	30 days

The following terms and conditions apply to you if you purchase a TXT & Data Recharge Product:

- (a) Vodafone to Vodafone Credit can only be used for standard voice calls made to other Vodafone mobiles in Australia.
- (b) If you exhaust your Vodafone to Vodafone Credit, additional calls to Vodafone mobiles in Australia will be paid for from your Flexible Credit.
- (c) Included TXT credit allows you to send the number of standard personal national TXT included in your recharge to individuals from within Australia. Excludes international, premium and re-routed TXT. Offer cannot be used for commercial or resale purposes.
- (d) If you exhaust your Included TXT allocation, additional standard national TXT will be paid for from your Flexible Credit.
- (e) Included Data allows you to use the amount of data included in your recharge. Data can only be used in Australia, on Vodafone networks. Data usage is charged in per kB increments.
- (f) If you exhaust your Included Data allocation, additional data will be paid for from your Flexible Credit at Pay As You Go Mobile Internet Rates.
- (g) If you recharge your TXT & Data Recharge Product with another TXT & Data Recharge Product before the end of the Credit Expiry Period, unused Flexible Credit will be rolled over, provided you do not exceed the maximum balance of \$2,000.

\$5	500MB	28 days
\$15	2GB	28 days

The following terms and conditions apply to you if you purchase prepaid Data Add-On Product:

- a) You can only use a prepaid Data Add-On Product if you have purchased an initial Vodafone Recharge Product that connects you to our Network.
- b) Data usage is charged in per kB increments. Data for use within Australia on Vodafone networks.
- c) If your Prepaid Recharge Product includes a data allowance, data will be deducted from your prepaid Data Add-On Product first.
- d) If you exhaust your data allocation, additional data will be paid for from any remaining data allowance in your Prepaid Recharge Product and otherwise from your Flexible Credit (if any) at Pay As You Go Mobile Internet Rates.
- e) If you recharge your prepaid Data Add-On Product with another prepaid Data Add-On Product before the end of the Credit Expiry Period, unused data will be rolled over.

#### 10(c) Extras

This table specifies types of credit that are provided if you purchase a Vodafone Extras Product:

Recharge price	Extras Credit	Credit Expiry Period
\$12	\$12	Does not expire provided an active prepaid service is maintained
\$25	\$25	Does not expire provided an active prepaid service is maintained

The following terms and conditions apply to you if you purchase an Extras Product:

- (a) You can only use a Vodafone Extras Product if you have purchased a Vodafone Flexi Cap or Cap Recharge Product that connects you to our network.
- (b) Extras Credit allows you to purchase any of the Products listed in the "Payable from Extras Credit" table in section 11.

# Terms & Conditions

## Vodafone Prepaid

- (c) If Products listed in the "Payable from Extras Credit" table in section 11 can be paid from a different type of credit included with your Vodafone Prepaid Product, unless stated otherwise, your Flexible Credit or Cap Credit will be deducted first, until it is exhausted, and then your Extras Credit.
- (d) Vodafone Extras Credit does not expire provided you maintain an active prepaid service. If you do not recharge your Vodafone Prepaid Product within 365 days from the start of its Credit Expiry Period, your prepaid service will no longer be active and all Extras Credit will be forfeited and is not refundable.

### 10(d) Socialise Add-On

From 3 March 2014, the Socialise Add-On will only be available to you, if on the 2 March 2014 you have:

- an active Vodafone Prepaid Recharge Product; and
- previously purchased a Socialise Add-On between 2 September 2013 and 2 March 2014.

If this applies to you, you will be able to continue to purchase a Socialise Add-On on, or after 3 March 2014, provided Vodafone has not removed this Product.

The following table specifies the types of credit that are provided if you are eligible to purchase a Socialise Add-On Product:

Price	Included Data within Australia	Credit Expiry Period
\$5 (Flexible Credit if you are on a current 365 Day Recharge Product, TXT & Talk Recharge Product, TXT & Data Recharge Product Vodafone All-time Recharge Product, Vodafone Pay As You Go Recharge Product)	150MB	30 days
\$10 (Flexible Credit or Cap Credit if you are on a current Flexi Cap or Vodafone Cap Recharge Product)		

The following terms and conditions apply to you if you purchase Socialise Add-On Product:

- a) You can only use a Socialise Add-On if you have purchased an initial Vodafone Recharge Product that connects you to our Network and you are on a current prepaid Vodafone Recharge Product that is within its Credit Expiry Period.
- b) The price for the Socialise Add-On will be paid for from your Flexible Credit or Cap Credit. There are different prices for Flexi Cap and Vodafone Cap customers.
- c) Data usage is charged in per kB increments. Data for use within Australia on Vodafone networks.
- d) If your Prepaid Recharge Product includes a data allowance, data will be deducted from your Socialise Add-On first. In order to guarantee that data is taken from your Socialise Add-On first, you will need to restart your phone.

# Terms & Conditions

## Vodafone Prepaid

- e) If you exhaust the data allocation in your Socialise Add-On, additional data will be paid for from any remaining data allowance in your Prepaid Recharge Product and otherwise from your Flexible Credit (if any) at Pay As You Go Mobile Internet Rates.
- f) If you recharge your Socialise Add-On Product with another Socialise Add-On Product before the end of its Credit Expiry Period, unused data will be rolled over.

### 10(e) Favourites Add-On

### 11. Vodafone Rates: What is payable from my Vodafone Prepaid Credit?

#### Payable from Vodafone Prepaid Credit

This table details all Products that can be paid from your prepaid credit (unless stated otherwise), and the charge rate for those Products. If a charge rate is stated to be "unlimited" you will not be charged any additional amount for use of that service.

Remember, some Vodafone Prepaid Products have different types of credit, including credit that may be expressed as a quantity (eg, a specified number of call minutes) or credit that can only be used for specified services. You must read this table in conjunction with the terms for your specific Vodafone Prepaid Product.

Unless another type of credit can be used, Products will be paid from your Flexible Credit, in the case of the \$2 and \$4 Vodafone Mini Caps, your Mini Cap credit, or in the case of Caps, Cap Credit).
