

Prepaid

1. What Terms and Conditions Apply to my Vodafone Prepaid Product?

- (a) The terms and conditions that will apply to your Product or Products are:
 - (i) all the terms and conditions provided to you when you agree to purchase a Product, including all the terms and conditions contained in this document; and
 - (ii) all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at vodafone.com.au (collectively, the "**Terms**").
- (b) When you agree to purchase a Product you accept the Terms.
- (c) Your contract commences on your acceptance of the Terms, however, any credit expiry period does not start until you have recharged your Prepaid account.
- (d) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

For more information, call Vodafone on 1300 650 410 or visit vodafone.com.au.

2. Important Things You Need to Know

Availability

- (a) The Vodafone contracts and products referred to in the Terms (**Products**) are for personal use only, and are not available to medium to large business/corporate and commercial customers. Medium to large business/corporate and commercial customers should contact Vodafone for information about Vodafone's business products.
- (b) The Products are available to eligible and approved customers.
- (c) Unless otherwise stated, only one Vodafone Prepaid Product can be used per connection to our network.
- (d) Mobile devices may be locked to our network. A fee may apply to unlock.
- (e) Only services specified in section 11, "Vodafone Rates: What is payable from my Vodafone Prepaid Credit" can be accessed using Vodafone Prepaid Products.
- (f) Vodafone's Fair Use Policy applies to all Vodafone Products.

Factors affecting availability and performance

- (a) Network coverage and many other factors may affect the availability and performance of certain Products, services and functions.
- (b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile device and if in a compatible coverage area. Not all mobile devices are compatible with our network.
- (c) The Terms contain details regarding device compatibility, network capability and availability relating to the "Vodafone" network. However, notwithstanding

anything else in our contract with you, we may provide services to you using any telecommunications network we consider appropriate and that network will constitute "our network" for the purpose of the Terms, including (but not limited to) the "Vodafone" networks operated by, for or on behalf of Vodafone Network Pty Limited and Vodafone Australia Pty Limited and the "3" network operated by, for or on behalf of Vodafone Hutchison Australia Pty Limited. For more information about the "Vodafone" network, see <http://www.vodafone.com.au/personal/services/coverage/> . For more information about the "3" network, see <http://www.three.com.au/coverage>.

- (d) All Vodafone services are subject to device capabilities & network limitations & availability. A compatible 3G+ device is required to access Vodafone 3G+ services. Vodafone 3G+ only available in selected metropolitan areas. Outside of Vodafone 3G+ coverage areas, Broadband Speeds can be achieved in Vodafone 3G coverage areas. Vodafone 3G+ and 3G services include but are not limited to mobile broadband, internet, email, apps, downloading, video streaming and video calling. A compatible 3G device is required to access 3G services. Vodafone 3G works on three different 3G network zones: U2100MHz, U850MHz and U900MHz. You can reach Broadband Speeds within these areas when you have a handset which is compatible to that particular zone/s.. Broadband Speeds not available in any 2G area. Actual speed achieved varies depending on factors such as device capabilities, location & network congestion. See vodafone.com.au/coverage for coverage. You agree to refer to www.vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.

Data services, including Pay As You Go Mobile Internet

- (a) For data Products, a data session:
- (i) **starts** when you begin internet activity, either directly or indirectly* on your mobile device; and
 - (ii) **ends** when your data connection is lost. This will happen when:
 - You turn your mobile device off, turn your data connection off, switch to flight mode or when you lose network reception; or
 - Your mobile device has not sent or received data for a period of time .

*Direct internet activity is when you prompt your mobile device to send or receive data from the internet. For example, when you send an email. Indirect internet activity is when your mobile device or mobile applications are set up to send or receive data from the internet on your behalf. Examples include (but are not limited to): Email notifications via Gmail, notification of Tweets or Facebook posts which mention you and software or whether updates.

- (b) A minimum balance is required to start a data session.
- (c) When using data Products, some internet services, including web sites and email, may not be accessible.

Rates and types of credit

- (a) Details of the rates and charges which apply to the Products are contained in the Terms.
- (b) All Vodafone Prepaid Products provide you with a type of credit called "Flexible Credit". Flexible Credit can be used to purchase any of the Products listed in the table titled "Payable from Vodafone Prepaid Credit" in section 11 below.
- (c) Some Vodafone Prepaid Products may also provide you with additional types of credit that may be used to purchase Products. Some types of such additional credit may only be used to purchase certain Products. Types of additional credit, and the Products that such additional credit can be used to purchase, are specified for each Vodafone Prepaid Product in sections 3, 4, 5, 6, 7, 8, 9 and 10 below.
- (d) Credit may be expressed in any manner, including as a monetary value or as a quantity of a specified Product.
- (e) Unless otherwise stated, the section of the Terms titled "Vodafone Rates: What is payable from my Vodafone Prepaid Credit?" specifies which Products are available to be purchased from your credit and the rates for those Products.
- (f) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

Voucher Expiry and Credit Expiry

- (a) One way of recharging your Vodafone Prepaid service is to purchase a Vodafone Prepaid recharge voucher at participating outlets. These vouchers have a voucher expiry period, which is the period of time you have to activate that voucher before it is no longer valid. Vodafone Prepaid recharge vouchers purchased on or before October 28, 2012 will have a 24 month voucher expiry period. Vodafone Prepaid recharge vouchers purchased on or after October 29, 2012 will have a 6 month voucher expiry period. Failure to activate a Vodafone Prepaid recharge voucher prior to the expiration of the applicable voucher expiry period will result in the value of the voucher being forfeited and it will not be refundable or exchangeable for another Product.
- (b) Once activated, some Vodafone Prepaid Products have a credit expiry period. Credit expiry periods are specified for each Vodafone Prepaid Product in sections 3, 4, 5, 6, 7, 8, 9 and 10 below.
- (c) Unless otherwise stated in the Terms, when the credit expiry period elapses, or when the Vodafone Prepaid Product is recharged, any unused credit for that Product is forfeited, is not refundable, and cannot be carried over to any other Product.
- (d) Unless otherwise stated, if you change from a Vodafone Prepaid Product to any Vodafone "postpay" Product, any unused credit from your Vodafone Prepaid Product is forfeited, is not refundable, and cannot be carried over to your new Vodafone Product.

Auto Recharge

- (a) You may choose for your Vodafone Prepaid Product to be automatically recharged by payment using a registered Credit Card. This service is called "Auto Recharge".
- (b) You may nominate for this automatic recharge to happen:

- i. On a specified date each month;
 - ii. When the main credit balance falls below a set nominated amount; or
 - iii. Every set number of days.
- (c) If you choose the Auto Recharge service, your credit card will be automatically charged when the nominated event in section (b) occurs.

3. Flexi Cap Recharge

This table specifies types of credit that are provided if you purchase a Flexi Cap Recharge Product:

Recharge Price	Flexible Credit	Vodafone to Vodafone Credit	Bonus Data	Credit Expiry Period	Unlimited mobile access to Facebook, My Space, Twitter, LinkedIn and Foursquare until 12 February 2013. However, after 7 November 2011, if your Original Recharge Product is a TXT & Data Recharge Product, you will no longer be able to recharge on the TXT & Data Recharge Product again and any unused Flexible Credit and allocations from that Original Recharge Product are forfeited, are not refundable and will not carry over to the next Vodafone Prepaid Product which you elect to purchase.
- (p) If you change from a Flexi Cap or Vodafone All-time Recharge Product to a Vodafone Cap Recharge Product before the end of the Credit Expiry Period, all unused credits and allocations are forfeited, are not refundable and will not carry over to your Vodafone Cap Recharge Product.

- (q) If applicable for your Vodafone Cap Recharge Product, on or before 12th February 2013 unlimited mobile access to Facebook, MySpace, Twitter, LinkedIn and Foursquare is available but only within Australia and only if accessed via the sites' mobile web sites (m.facebook.com), (m.myspace.com), (m.twitter.com), (m.linkedin.com) and (m.foursquare.com), Vodafone Central or official applications for compatible handsets from the sites using the Vodafone Live access point (APN). Access via any other means including 3rd party applications are charged at standard data pricing. Standard data charges will apply for any external links accessed via the sites. Subject to handset capability and compatibility. Quality of some services may vary depending on location, device capabilities and network limitations. Facebook is a trademark of Facebook Inc. **From 13 February 2013, unlimited mobile access to Facebook, MySpace, Twitter, LinkedIn and Foursquare will be removed from all active Vodafone Cap Recharge Products and will no longer be included in any new Vodafone Cap Recharge Products activated on or after this date.**
- (r) The Vodafone Cap Recharge Products are not to be used for commercial or resale purposes.

11. Vodafone Rates: What is payable from my Vodafone Prepaid Credit?

Payable from Vodafone Prepaid Credit

This table details all Products that can be paid from your prepaid credit (unless stated otherwise), and the charge rate for those Products. If a charge rate is stated to be “unlimited” you will not be charged any additional amount for use of that service.

Remember, some Vodafone Prepaid Products have different types of credit, including credit that may be expressed as a quantity (eg, a specified number of call minutes) or credit that can only be used for specified services. You must read this table in conjunction with the terms for your specific Vodafone Prepaid Product.

Unless another type of credit can be used, Products will be paid from your Flexible Credit.
