What Terms and Conditions Apply to my Vodafone Products?

- (a) This document sets out terms and conditions that apply to specific Vodafone contracts and products (collectively, the "**Products**").
- (b) The terms and conditions that will apply to your Product or Products are:
 - i. all the terms and conditions provided to you when you agree to purchase a Product, including the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and
 - ii. all the terms and conditions contained in the Vodafone Standard Form of Agreement (**SFOA**), which is available at vodafone.com.au, (collectively, the "**Terms**").
- (c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- (d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- (e) Activation of your Product may occur after your contract has commenced. Any minimum contract term that applies commences when your Product is activated.
- (f) You may suspend your contract for between 1 and 3 consecutive calendar months once during the minimum contract term. You will be charged a fee for each month if your contract is suspended. Your minimum contract term will be extended by the period of any suspension.
- (g) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

For more information, call Vodafone on 135 888 or visit vodafone.com.au.

Important Things You Need to Know

- (b) The Products are available to credit approved customers only.
- (c) Devices may be locked to the Vodafone network. A fee may apply to unlock.

Factors affecting availability and performance

- (b) Certain Products, services and functions are only available if used in conjunction with a compatible mobile or other device and if in a compatible coverage area. Not all devices are compatible with Vodafone networks.
- (c) All Vodafone services are subject to device capabilities and network limitations and availability. A compatible 3G device is required to access 3G services. If you have a *handset* which is U2100MHz or U2100/850MHz compatible but not U900MHz compatible you will experience 3G coverage in metro areas (3G Mobile Broadband Standard Coverage area and, if available for your handset, the 850 Mobile Broadband Coverage area) and 2G (2.5G GPRS or 2.75G Edge) in all other coverage areas. Broadband speeds and high bandwidth applications, such as video streaming, video calling, Mobile TV and full track downloads, are only available in Vodafone's 3G Mobile Broadband Standard Coverage area; and, if you have a U850MHz compatible device, in Vodafone's 850 Mobile Broadband Coverage area; and, if you have a U900Mhz compatible device, Vodafone's 3G Mobile Broadband Regional Coverage area (however speeds in Vodafone's 3G Mobile Broadband Regional Coverage area will be slower than when in Vodafone's 3G Mobile Broadband Standard Coverage area or, if available for your device, Vodafone's 850 Mobile Broadband Coverage area). You agree to refer to vodafone.com.au/coverage for coverage details and vodafone.com.au/devicefrequency for details of devices and their frequencies before

purchase, so that you can confirm that for your intended use of the services, your address/es are located in the appropriate Vodafone coverage areas and that the device you wish to select is compatible with the Vodafone coverage area where your address/es are located.

- (a) For Products that provide data access capabilities, a data session starts when you first connect to data services and ends when you disconnect from data services.
- (b) When using data services, some internet services, including web sites and email, may not be accessible.
- (c) Subject to your rights under the *Competition and Consumer Act 2010* or other relevant legislation (including the *Australian Consumer Law*), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.
- (d) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

Rates and charges

- (a) Details of the rates and charges, including any minimum spends which apply to the Products are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.

- (d) Unless otherwise stated, if you do not use all your included value and/or your included data (as appropriate) in the relevant month, that included value and/or included data (as appropriate) is forfeited, is not refundable, and will not carry over into any other month.
- (e) Unless otherwise stated, the section of the Terms titled “Vodafone Rates: What is payable from my Business Plan or Business Infinite Plan’s included value?” specifies which services are or are not available to be paid from your included value and the rate at which additional services will be charged.
- (f) Each call charge is rounded up to the nearest cent before GST is included.
- (g) Unless otherwise stated, rates specified for services are GST inclusive.

- (h) Unless otherwise stated, call usage is billed in blocks of 60 seconds for Business Plan or Business Infinite Plan Usage is rounded up to the end of the current block.
