- (b) The terms and conditions that will apply to your Product or Products are:
 - (i) all the terms and conditions provided to you when you agree to purchase a Product, including the terms and conditions contained in this document and any terms and conditions contained in any application form you complete when purchasing a Product; and

- (c) When you agree to purchase a Product, you accept the Terms. Your contract with Vodafone commences on your acceptance of the Terms.
- (d) Some Products have a minimum contract term. If your contract is terminated before the end of this term, you may be required to pay fees, such as an Early Exit Fee or a Handset Recovery Fee. Depending on the Product this may be in addition to any applicable handset payments and additional or excluded call, data or service costs. Early Exit Fees are set out in the pricing table for your Product.
- (e) Activation of your Product may occur after your contract has commenced. Any minimum contract term that applies commences when your Product is activated.
- (f) You may suspend your contract for between 1 and 3 consecutive calendar months once during the minimum contract term. You will be charged a fee for each month if your contract is suspended. Your minimum contract term will be extended by the period of any suspension.
- (g) The Terms may be changed by Vodafone from time to time. Vodafone will comply with relevant laws, regulations and industry codes if it makes any such changes.

Factors affecting availability and performance

Vodafone offers U2100Mhz, U850MHz and U900Mhz devices. Customers with devices that are U2100MHz or U2100/850MHz compatible but not U900MHz compatible will experience 3G coverage in metro and some regional areas (3G Mobile Broadband Standard Coverage area) and 2G (2.5G GPRS or 2.75G Edge) in all other coverage areas. Broadband speeds and high bandwidth applications, such as video streaming, video calling, Mobile TV and full track downloads, are only available in Vodafone's 3G Mobile Broadband Standard Coverage area. Slower speeds can be expected outside Vodafone's 3G Mobile Broadband Standard Coverage area. See www.vodafone.com.au/coverage for details.

For more information about these networks, see the coverage maps available at www.vodafone.com.au/coverage and www.three.com.au/coverage.

Data services

- (a) For Products that provide data access capabilities, a data session starts when you first connect to data services and ends when you disconnect from data services.
- (b) When using data services, some internet services, including web sites and email, may not be accessible.
- (c) Subject to your rights under the *Competition and Consumer Act 2010* or other relevant legislation (*including the Australian Consumer Law*), Vodafone does not make any warranty regarding any software or data provided or available to you in connection with data services, including with respect to how that software or data operates on your device or interacts with applications.
- (d) Unless otherwise stated, data usage is measured as the combination of both data you send (upload) and receive (download).

Rates and charges

- (a) Details of the rates and charges, including any minimum spends which apply to the Products are contained in the Terms. The minimum total cost over contract term is calculated by multiplying the minimum monthly spend by the contract term.
- (b) Many Products feature “**included value**”. Included value can be used to pay for many (but not all) services available from Vodafone. Included value is credited to you for payment of your minimum monthly spend.
- (c) If your usage of a Product exceeds your included value, or you use a service that is not payable from your included value, you will be charged an amount additional to your minimum monthly spend.
- (d) Unless otherwise stated, if you do not use all your included value in the relevant month, that included value is forfeited, is not refundable, and will not carry over into any other month.
- (e) Unless otherwise stated, the section of the Terms titled “Vodafone Rates: What is payable from my Vodafone Product’s included value?” specifies which services are or are not available to be paid from your included value and the rate at which additional services will be charged.
- (f) Each call charge is rounded up to the nearest cent before GST is included.
- (g) Unless otherwise stated, call usage is billed in blocks of 30 seconds for Vodafone Infinite Plan Products and 60 seconds for Vodafone Cap Products. Usage is rounded up to the end of the current block.
- (h) All rates and charges are subject to change. Vodafone will comply with relevant regulations and industry codes with respect to such changes.

Billing

- (a) In your first bill, you will be charged your minimum monthly spend for the following month. Your first bill may also include a prorated amount from the date you connected to your first bill.
- (b) You may choose to purchase additional Products from time to time. Charges for these Products will be applied to your bill.
- (c) Paperless billing is the default bill delivery method for Vodafone customers. Vodafone will provide paper bills without charge to disabled or disadvantaged customers. Otherwise, Vodafone will not provide paper bills except in special circumstances, in which case, at its discretion, Vodafone may charge \$2.20 per paper bill.
